DOWN WITH THE GAMECOCKS!

SENIORS ONLY ALLOWED TO AT-
TEND FAIR

In another column of this paper is a statement issued by Dr. Riggs about the State Fair Encampment, and stating several reasons why the Corps was not allowed to have what used to be their regular yearly encampment, but which has not been held in Columbia since the fall of 1913.

The Seniors will be allowed to attend on individual permits and every one that possibly can do so is determined to go down and do their part on the side lines while the Tigers make a square meal on the Gamecocks. Columbia has been called "the square meal town" and the Tigers are hungry for fowl meat. The Seniors are limbering up their voices and expect to make up in quality what they lack in numbers when it comes to making a little fuss. The team is going good now and are determined to put it over the Gamecocks.

Seniors, don't forget that the Clemson Freshmen—the Tiger cubs—play the yearling Gamecocks the day after the big game, so make arrangements to see that one and show the youngsters that we are right with them.

SENIORS HELP "RATS"
TO GET SETTLED

The Senior class proved their worth to the college this year first by aiding in the reception of the new men. At a meeting of the class, men were designated to meet the various trains at Calhoun and Cherrys and pilot them to the main building. Here they were met by the other Seniors and thus step by step they were carried through the matriculation line and shown to their rooms. It is up to them now, with the aid of the Faculty-Senior advisors to hold those rooms and the places in this college which they have now, but which others would gladly fill at once should they be made vacant.

"BILL" MATTHEWS

"Big Bill" showed what he could do in the line Saturday. When Tennessee wanted to gain through the line they went elsewhere. Bill weighs about 200 and altho playing his first year of Varsity ball, he is showing what two years of Scrub have done in making a player. This is Bill's tune now:

"Scrub last year and Scrub the year before,
But if I keep this up, I'll never play
Scrub no more."

LOST!—Metal tripod in black leather case was left on the special train for the Anderson game. Reward for its return to George S. Eaton, Engineering Bldg.

TIGERS MEET AUBURN NEXT SATURDAY

This week the team goes up against one of its strongest foes. The Auburn bunch is in good trim and expect to win. But the Tigers are getting better every day and with careful handling and cured hurts are going into the game in the best of shape and spirits, determined to get revenge for last year. Auburn has been defeated by Clemson, and Coach Hart's huskies are hungrily awaiting Saturday so they can repeat old performances.

ROBERTSON AND HASKELL TO REPRESENT CLEMSON

ROBERTSON AND HASKELL
TO REPRESENT CLEMSON

Tennis, for the last few years, has amounted to very little or nothing in athletics at Clemson. The reason for this lack of interest was the lack of courts. Tennis is a great sport, and the fun of the game draws many to the courts. Now you can't play music without an instrument, and you can't play tennis without a court. Due to the kindness of Mr. Marshall in allowing us the use of his court, tennis has been kept alive thru these last few years. With the completion of the six new courts on Riggs Field, we expect to see tennis take its natural place as one of the leading sports of the college. We intend to organize class clubs, and in the spring to have a tournament between them. Next fall we hope to have the State Intercollegiate Tournament held here. Had we possessed some good courts this year, the tournament would in all probability have been held here this fall; as we do not, the tournament is now being played at Furman.

In spite of the fact that we lacked courts, some score of men came out for the tournament by which two men were selected to represent our college in the State Intercollegiate Tournament. The following is a list of those who came out: Parks, F. W., Middleton, J. A., Hagood, F. R., Robertson, T. B., Richards, A. J., Cantey, J. S., Burnette, D. E., Jenkins, J. H., Rowell, S. T., Hunter, J. F., Haskell, A. W., Lawton, W. H., Fitzgerald, J. B., Robertson, J. H., Allen, R. G., Wilcox, C. A., Parks, F. L., Watkins, J. S., Brailsford, A. P., Epps, —, Brown, C. C., Crumpler, D., and Steadman, B. K. The singles was won by Robertson, J. H., and the doubles by Robertson, J. H. and Haskell, A. W. Tuesday morning Robertson and Haskell, with the manager, W. M. Hutson, left for Furman, where the tournament is now being played.

"C" TEAM OUTPLAYS CRACKERS AND WINS FROM PIEDMONT

CLEMSON OUTWEIGHED FIFTEEN
POUNDS

Last Saturday the "C" team, accompanied by Freshman coach Buck Pressley, went to Demorest, Ga., to play Piedmont College. Nothing was heard from the team until Sunday morning when they returned, and for a while it was feared that the Georgia bunch had made a meal of them. Not so, however, for when the boys were asked about it they said, "We made three touchdowns and the score was 12 to 0." Of course this caused some wonderment, but when the tale of the game was told it was surprising that they got this much.

It being a co-ed school, most of the team were rather embarrassed, but at dinner they so far forgot this feeling that they stole sly glances out of the corners of their eyes at the fair inmates of the hall, and even went so far that they made away with all of the bread just to get one of the girls to bring some more. Of course the boys there did not relish the fact that the S. C. lads were getting ahead of them, so they tried to take it out in the game. As they could not do this they took occasion to let the young Tigers leave for home immediately after the game.

Coming down to the game, "Mouse" Elliott went across for the first touchdown in the first quarter. The Clemson team never failed to gain. "Johnny" Ferguson, quarterback and captain of the team ran his team in fine style. The other men in the backfield were Cogswell, Allison, and Wallace. Allison started at fullback but Cogswell was sent in afterwards. He made consistent gains. In the line, Campbell, Garrison, Brandon and Craig did fine work. Stender and Truluck at the two ends were good also.

The Clemson team was outweighed by the Piedmont College team by fifteen pounds.

The game was full of funny stunts and some came near proving serious. At one time of the game Stender went down under a punt and he was buried in the dirt by the big Georgia players, and when

"MUTT" GEE

Gee, J. G., better known as "Mutt", is playing his third year of Varsity football. Last year he played well in the backfield. This year he has played fullback and in the line, but seems to have found his natural position at center. He played this position against the heavy Tennessee team, and although he weighs only 165 pounds, he more than held his own during the entire game.

TIGERS LOSE HARD FOUGHT GAME

TIGERS SHOW VERY GREAT IMPROVEMENT

Our defeat at the hands of the heavy Tennessee team Saturday by the score of 14 to 0 was a case of tough luck. The Tigers had held the big fellows until the last few minutes of play, and in fact our team outplayed them, when one of their backs dove under the line and crossed the goal line for the first touchdown. With only a few minutes of play left, the only chance was to forward pass. The ball was kicked off and it was Clemson's on their twenty yard line, and when Witsell attempted a forward pass, Lowe intercepted it and went the twenty yards for the second touchdown. Hatcher kicked both goals.

"SERG" POOLE

"Serg" put up one of the best defensive games against Tennessee that has been seen on the campus for some time. This is Poole's second year of real Varsity ball and he is getting better with each game.

In the first quarter the visitors tried for field goals twice when within twenty five yards of our goal but the first time the ball struck the goal posts and bounded outside, and the second attempt was frustrated when the ball curved and went outside the posts. The game was featured by the punting on both sides. Time and again the ball was punted off on the first down. For Clemson, Witsell did the punting while Hatcher, the big Tennessee fullback, kicked off and did all the punting for his team. He outkicked Witsell but the boy from the "Bottry" did well for his first attempt in this line.

It is hard to pick out the stars of the game. One thing is to be said for the entire Clemson team. They put up a far better showing against Tennessee than they did against Georgia, a week ago. Every man in the line fought hard, and did his part. Big "Bill" Matthews and "Buck" Hart at the two tackles were towers of strength. These men could always be seen breaking through the line and nipping plays in the bud before they could be started. In the backfield, Witsell saw that there were no holes unstopped. On the two ends "Crump" Brown and "Dutch" Wehl played star ball, getting down under the punts and never failing to get the man receiving the ball. On the two guards, Nimitz and "Serg" Poole were in the game all the time with the old time Tiger drive. At center Gee outplayed his opponent throughout the whole game. He starred especially on defensive ball. In the backfield, "Stumpy" Banks, "Dopey" Major, and Witsell played a beautiful game. Finley, at quarter, worked hard also, and while

TO THE TIGERS

(Tune: "Are You From Dixie")
Hello there, Senior, how do you do?
There's something I'd like to say to you.
Don't be surprised,—you're recognized:
I'm no detective, but I've got good eyes.
You're from the place where I long to be,
Your uniform seems to say to me
That you're from Clemson,
From dear old Clemson,
Tell me, can it be?

CHORUS

Are you from Clemson?
I said from Clemson,
Where all those "kiddets" beckon to me,—
I'm glad to see you,—
Tell me, how be you,—
And the boys I'm longing to see;
If you're from Co. A, or Co. B, or Co. C,
Or anywhere, just so you're from dear old
C. A. C.
Then you're from Clemson,
Hurrah for Clemson,
'Cause I'm from Clemson too.

NO STATE FAIR ENCAMPMENT

The Board of Trustees at its July
meeting, after careful consideration and
full discussion, decided unanimously to
adopt my recommendation not to have
an encampment of Cadets at the State
Fair this fall.

The grounds for this action, in order
of importance, are as follows:

(1) The present session opens nearly
two weeks later than usual. There would
remain less than four weeks between the
arrival of the new students and fair
week, and less than two weeks in the case
of the one year agricultural students. In
the short time available it would be im-
practicable to properly drill and uniform
the new students.

(2) The encampment would constitute,
as it always has, a serious break in the
college work, coming just as the students
are settling down to solid work.

(3) The encampment would cost the
College at least \$500. On account of the
diminished use of fertilizers (last year
reduced by over one hundred thousand
dollars) the institution is not in a posi-
tion to incur any but absolutely neces-
sary expenses.

Carrying out the purpose of the Board's
ruling no permits to attend the State
Fair will be granted to underclassmen.
Individual permits will be granted the
Seniors only.

W. M. Riggs, President.

It is with regret that the corps learns
of the death of Mrs. I. N. Holland in
Anderson, S. C., last Thursday. Mrs.
Holland was the sister of Cadet W. K.
Snellgrove. The entire corps extends its
deepest sympathy to Cadet Snellgrove
and the members of his family.

TIGERS LOSE HARD FOUGHT GAME

(Continued from first page)

he was in the game he ran his team well.
"Fish" Witsell and Banks made two runs
through the line netting them twenty
yards apiece. The Tigers were started
for a touchdown when the same thing
happened that occurred in Anderson in
the Georgia game—our team was penal-
ized fifteen yards for holding. The Tigers
certainly did their part, but luck broke
the wrong way. Though the game was
virtually decided after the first touch-
down, our men played even harder than
they did towards the first of the game.
No school minds a defeat when they
know that their team did its part.

First Quarter

Hatcher kicked off, and Witsell re-
turned twenty yards. Witsell punts 40
yards and Luck returns one. Emery goes
one. Emery takes 25. Hatcher takes

35 yards to Finley who is downed in his
tracks. Witsell loses 8 yards. Witsell
punts 40 yards. Luck loses 5 yards.
Emery takes 30. Emery takes 1. Emery
takes 1. Pass from Emery to Vowell
nets 8 yards. Hatcher takes 1. Emery
takes 25. Emery takes 2. Emery fails
to gain. First half ends. Tennessee's ball
on Clemson's 10 yard line.

Third Quarter

Nimitz kicks off to Wolfe who returns
the ball 15 yards. Hatcher punts 20
yards. Major goes around left end for
35 yards but Clemson is penalized fifteen
yards for holding. Witsell punts 35
yards. Hatcher punts 45 yards. Finley
returns ten yards. Witsell punts 40
yards. Shelby fails to gain. Hatcher
punts 60 yards. Witsell punts 45 yards.
Sutton returns 1 yard. Ring takes 3.

1. Witsell attempts to punt but it is
blocked, and ball is recovered by Major,
who is hurt. Witsell punts 40 yards.
Hatcher takes two. Ring takes one.
Emery fumbles and loses five. Emery
takes six. Pass by Hatcher is broken up
by Witsell; ball goes over. Witsell goes
through line for fifteen yards. Banks
goes through line for fifteen yards. Banks
goes through line for twenty yards. Wit-
sell takes five. Banks takes 2. Banks
takes 2. Pass by Major fails. Hatcher
punts 60 yards. Witsell punts 40 yards.
Hatcher takes ten yards. Hatcher takes

FACULTY SENIOR ADVISORS

A unique plan has been inaugurated
here in order to aid the new men. By
this plan one member of the Faculty rep-
resents the county from which he comes.
If there is no member of the faculty
from a county one from another county
may substitute. Then two Seniors from
each county are taken, and together with
the faculty member form an advisory
board or committee. To any of these
men, freshmen from their county may
come with any trouble or complaint and
receive the best aid or advice that the
older men can give. There is nothing
official about this matter and anything
asked about or reported does not go any
further.

Soon after the new men arrived they
were asked to come to chapel one after-
noon and meet the various advisors and
become acquainted with the other men
from their home counties.

This plan is already working well, and
if the new men will only take advantage
of their opportunity they can get along
much easier. Almost every one is ready
to help a new boy get started, even tho
there may be a little fun at his expense,
and by that we don't mean groveling,
they will get the help they need.

A Correction.—Last week we stated in this column that H. L. Burch was married. It should have been W. E. Burch. H. L. Burch is here in college now.

W. T. Patrick, '16, is now Demonstration Agent at Marion S. C. He has quite an interesting letter in *The Marion Star* this week pertaining to this great work. Mr. Patrick is chiefly interested in the agricultural improvement of his county and will be of assistance to all who call upon him. "Pat's" many friends at Clemson wish him well wherever he is, or in whatever course he pursues.

L. O. Campbell, '16, is now engaged in work with the Public Service Co., Newark, N. J., but expects to go to the General Electric Co. on Oct. 16. "Lorrie" was one of the many efficient and much-thought-of members of the class of '16, and we all hope for his future work and his future to be as pleasant as he was.

V. M. Howell, '16, better known as "Virg", is principal of the Pritchardsville High School at Pritchardsville, S. C. We all wish him much success with his new work.

O. T. Sanders, '11, who now has a brother in the Senior Class, is cashier of The Southern Cotton Oil Co., at Chester.

B. M. Jackson, '14, better known as "Bush", is now married to Miss Etta Locke of Louisiana. He is engaged in agricultural work in that state.

W. B. Townsend, '16, known to most of us as "Runt", is a 3rd Lieutenant in the U. S. Army, stationed in the Philippines.

J. B. Monroe, '15, is teaching manual training in the public school of the city of Miami, Fla.

H. R. Trott, '16, is doing architectural work in Augusta, Ga. Henry is missed around here very much, both in barracks and at the "mansion".

WILL WED SOON (The State)

"Mr. and Mrs. Henry David Epps announce the approaching marriage of their daughter, Martha Anne, to Francis Grisette Holliday of Marion on Wednesday, October 18, at noon, at the First Baptist church, Timmons ville.

"Mr. Holliday is a progressive young planter of the Galivant's Ferry section of Horry county, and is president of the Horry County Live Stock Association. He has done much along the line of community building in his county and is very popular in both Marion and Horry counties."

He completed his course at Clemson in 1914, and we are all proud to note that he is doing well.

The following alumni were on the campus for the Clemson-Tennessee game: C. H. Albrecht, '16; L. A. Boggs, '16; H. L. Suggs, '16; G. L. Harris, '15; W. J. Hunter, '15 and E. O. McMahan, '15.

COLLEGE PRESS ASSOCIATION

"The College Press Association of South Carolina meets at Furman this year. The time of meeting being the 23rd of November. We are sure that the Hornet and Echo staffs together with the help of the student body and faculty will show the visitors from the other colleges that Furman is the best in the State."

The Tiger and The Chronicle belong to this Association. Clemson has a second vice-president this year, and this man will be elected in a few days.

"C" TEAM OUTPLAYS CRACKERS AND WINS FROM PIEDMONT (Continued from first page)

he got up he could not see for the mud in his eyes. A bucket of water was dashed in his face which called for a burst of laughter from the sidelines.

"Bill" Wallace in the backfield made the other touchdown. He recovered a fumble and went for a touchdown but the referee said that it was not fair. He played a star game. After the game was over our men asked the referee what he considered the score. He replied that Clemson had won the game by the score of 12 to 0. The ball was then the property of the Clemson team and when one of the men started off the field with it one of the Georgia players came up and said, "We don't play that kind of football here in this state so just come back here with that ball." With that the men gathered up their belongings and left that town.

STRINGED INSTRUMENT CLUB ORGANIZED

Last Saturday night a meeting was called of all the men in school who could play any kind of stringed instruments, and a large number of men attended. Cadet G. C. McDermid was elected president; Cadet Haskell Allison, vice-president; and Cadet R. C. Pitts, secretary and treasurer.

There will be five mandolins, five violins, two guitars, one cello, one ukelele, and one bass violin in the club this year, and from present indications it will be even better than last year's club.

IN OTHER COLLEGES

Carolina.—We are delighted to see in *The Gamecock* of Oct. 10, the editorial "There's a Reason." The University seems to have made a determination to put up clean athletics only, and almost every college in the State is in sympathy with her over her defeat at the hands of what they call "the team from up north." Altho Carolina is tasting medicine of her own concoction, she is a game loser and means to come back.

Furman is making preparations to entertain the S. C. Inter-Collegiate Tennis Tournament. The courts are being put in the best shape possible, and some fast games are expected.

Coach Barron, who has pulled the Furman eleven to such a high state of perfection has left to take up other work. His place is to be filled by Laval, who is reported to be a man of strong determination and marked ability. He is at least holding his own to judge by the result, Furman 60, Erskine 3.

Davidson's warriors succeeded in holding the heavy Yellow Jackets of Tech to 9 points. The Presbyterians' fast attack demoralized the Jackets during the first half. The Walker brothers—both former Clemson students—starred for Davidson. Several new men are also showing up well.

The Cadets from the "Bottry" had very little trouble in putting it over P. C. of S. C. 34 to 7.

University of North Carolina was de-

feated by a score of 21 to 0 by Harvard. "Bill" Folger played an excellent game for North Carolina.

SOME KICK

Dave Tibbott, a sub Princeton back, put a drop-kick through the bars from the 45-yard line Saturday during the last few minutes of play; thereby winning the game for Princeton from Tufts 3 to 0.

Carolina came strong Saturday and succeeded in defeating Wofford 23 to 3. It seems that they had a hard time doing it, however.

It seems that Auburn is getting better as the season advances. Saturday they defeated Mercer 93 to 0, and while Mercer is not so strong as a rule, still Auburn must have been going some. But the Tigers haven't finished growling yet.

FIRST LYCEUM A SIGNAL SUCCESS

As the first number of the 1916-1917 Lyceum Course, the Apollo Concert Co. was a fit opening.

Composed of Mr. and Mrs. Wells, Miss Whiten, Mr. Latimer and Mr. Pompey, this company is generally conceded to be one of the best that has ever faced an audience here. Those who missed the performance were indeed unfortunate, to say the least.

The opening numbers were three selections played by the quintet on their "Apollo-phone." Next Mrs. Wells and Miss Whiten sang a duet, followed by a trombone solo by Mr. Pompey. Miss Whiten read two selections, then came several selections by the Saxophone quartet. The "Apollo-phone" was again used to good advantage. Later Mr. Wells showed himself to be a past-master in the art of using a banjo, and Mr. Pompey rendered two solos on the bassoon. The evening was brought to a fitting close by the Saxophone quartet.

There are six remaining numbers in the course, and all promise to be very entertaining. They are:

Criterion Quartette	Oct. 26
	Nov. or Dec.
Edward Amherst Ott	Jan. 6
Panama Singers	Jan. 27
Laurant and Co.	March 3
John B. Ratts	March 24
All entertainments begin promptly at 8:00 P. M.	

THAT CROSS-COUNTRY MEET

Very few men in the corps know that there is to be a cross-country meet here on Thanksgiving. Several colleges in this state are to enter teams. The length of the run and the number of men participating from each school has not been definitely determined as yet, but these will probably be similar to last year.

Last Thanksgiving the meet was held in Clinton, P. C. of S. C., Clemson, and Newberry taking part. There were four men from each college and the course was four miles, each man running the entire distance. Accompanied by Coach Ward, the Clemson team composed of Dick, Sullivan, Hughes, Herbert and Salter, made the trip but were unsuccessful in bringing back the cup.

This year several of the old men are back, and with the new men we should be able to put out a splendid team. As hosts of the meet, we must put out a winning team, for we can't afford to lose.

Practice will begin soon, and every man that has ever done any track work is asked to come out. If you can't get a place on the team it will at least help you for next spring, when we hope to put out the best track team ever seen at Clemson. We have one of the best tracks in the South; why not the best team?

"Blossom" Sloan to Prof. Earle (hard recitation on docket): "Professor, Dr. Johan's lecture last night certainly was fine."

Classmate: "Blos', he didn't come; Mr. McCaul spoke." (Exit Blossom.)

SOCIALS

Miss Nada Green and Miss Carrie Easley were on the campus for the Clemson-Tennessee game. They were accompanied by Mr. John Taylor, an old Clemson man.

Mr. and Mrs. C. A. McLendon of Atlanta, visited Prof. and Mrs. W. W. Routten this week. Mr. McLendon is an old Clemson man, having graduated with the class of '08. The people of the "Hill" welcomed them to the community.

Mrs. J. M. Leland of McClellanville is visiting at the home of Prof. Freeman.

Miss Sarah Jane McHugh of Anderson, spent a while during the past week with her uncle, Mr. J. H. McHugh. Miss McHugh is in the training department of the Anderson Hospital.

Ask Blish Breland why he walked to Central Sunday afternoon.

Miss Nellie Robertson was on the Campus last Sunday.

Miss Pickle and Miss Simpson of Anderson visited friends on the campus Sunday.

Prof. and Mrs. Shields have recently returned from a mountain trip in their automobile.

Miss Meta Faulconer, who has been visiting at her home in Washington, has returned.

One of the most enjoyable social events of the week was a party given by Mrs. S. R. Rhodes in honor of Mrs. C. A. McLendon. During the evening a dainty luncheon was served.

Mr. and Mrs. M. W. Webb came up from Anderson in their machine Sunday afternoon.

Miss Polly Herron of Bishopville and Miss Valeria Still of Blackville, who are teaching at Easley this winter, were among the spectators at the Clemson-Tennessee game last Saturday.

W. Schirmer went to Anderson Friday to have some dental work (?) done. It must have been a sweet doctor indeed who worked on Schirmer's teeth, judging from the medicine received shortly after he returned.

JUNIOR DANCING CLUB FORMED

At the meeting of the Junior class it was decided that a Junior Dancing Club would be formed. The following named men were elected as officers: R. H. Taylor, Pres.; F. L. Parks, Vice-Pres.; and G. Bryan, Sec. and Treas. A meeting of the club was held and a number of men joined. It was decided to have the first dance one week after the State Fair, that is, on November 4, 1916. It will be a card dance.

The rules of the club prohibit the attendance of Sophomores unless they are accompanied by ladies. No Seniors or Freshmen can attend this dance.

JUNIOR CLASS OFFICERS

At a meeting of the Junior Class some two weeks ago, the following officers were elected:

President—Herring, J. W.
Vice-President—Finley, S. R.
Sec'y and Treas.—W. R. Snellgrove.
Historian—Webb, R. W.
Chaplain—Kuykendal, F. R.

DR. WHITE

One of the biggest things that has come to Clemson in many days, is the splendid series of addresses which Dr. White of Anderson has been making for the past week. He has spoken in Chapel every evening, and at the Baptist Church every afternoon for the past week. Dr. White certainly is a forceful speaker. He appeals to all that there is good in a man. Having been a College man himself, and now being President of a College, he is especially fitted to draw the attention of College men. The ones who have not been attending these addresses certainly have missed a great opportunity to hear God's Word.

He appeals to a man in a reasonable manner. He shows the advantages in a man's living a Christian life; what good a man will get from the right kind of living, in this world—as well as the next. Surely no one can hear him and not be visibly affected.

All of the addresses have been splendid and very helpful to College men. The sermon Sunday morning which was delivered in Chapel, in the form of a union service, was on the subject of God's love for man. "There is no limitation in the love of God to man", was one striking point enlarged upon by the speaker. In his usual forceful manner he dealt with this topic.

He asked the question, "Why does God love man?" Then he undertook to answer the question. The first answer given was, "God is Love." It is just God's nature to love us. A great theologian once said that God loved man just because it was His nature to. The love of man cannot be compared to the love of our Heavenly Father.

The second answer given to this question was that God loved man just because He was sorry for him. God knows all about us, our weak points, as well as our strong ones. The subject of the influence of heredity was discussed at some length by the speaker. He explained how the actions of one of our ancient grandparents might have an influence, either good or bad, upon us today. God knows of this and of all other weaknesses which we have to overcome, therefore He is sorry for us and loves us.

The third and last answer given to the question, was that God loves us for our wretchedness and deformities. "God loves a man because He sees more in him, than anyone else does"; and "Jesus never died for a world that was not worth saving, but for one that was worth saving", were significant facts brought out.

"God's love is exactly measured by the salvation which He has provided", was the closing thought of this address.

Sunday evening Dr. White addressed the Y. M. C. A. and visitors in the College Chapel. The central thought of this service was that God cares more for our souls than any one else cares. He outlined the progress of man from ancient times to the present day. This progress was shown to be largely of culture and education, and not so much of a moral advancement. "We are caring more for our bodies and our good looks, than for our souls' progress", was a striking statement. "The best thing about any man is his love for his soul", was the concluding thought.

Dr. White's lectures have been much enjoyed and we feel sure that much good has been derived from them.

MR. P. B. HOLTZENDORFF—
ASST. Y.M.C.A. SECRETARY

Mr. John Rush Lester, former assistant Y. M. C. A. Secretary, is teaching in the city schools of Birmingham, in prepara-

tion for a position in Canton Christian College, Canton, China. Mr. P. B. Holtzendorff succeeds Mr. Lester. Mr. Holtzendorff graduated from the University of Georgia law school last year and has his home in Atlanta. He was very active in the student activities at Georgia and made an exceptional record as an all-round college man, taking large parts in the Y. M. C. A., literary society work, and athletics. He was a member of the Y. M. C. A. cabinet, a sophomore debater, and a member of the varsity football, basketball, tennis and track teams. We welcome him to Clemson and predict that he will be a most valuable and popular man in our Y. M. C. A. work.

BASKETBALL STARTED

Practice has begun for basketball. Every afternoon a number of men put in an hour or so of good practice in the gym at the Y. M. C. A., and some of the Seniors practice with the Faculty after call to quarters at night. The team will probably be picked from the men who are going out now, as they will have the edge on the others later. Every man that has ever played this game should go out to these practices and do his best to make the team. There are several places left open by last year men who graduated or failed to come back. We will miss Bull,

Perry, Cannon, Young, and Vincent, but we are fortunate in having a number of Freshmen who have played star games in High School and who should make good players under proper coaching.

We are glad to see that the old gym apparatus has been moved from the Agricultural Hall and placed in the Y. M. C. A. Holtzendorff, the assistant secretary is a splendid man in this line and has been organizing classes for the benefit of the students and the faculty. If you can't do anything now, come out and learn how. You'll never learn it younger.

BAD SMASH-UP

Friday night during a little basketball game in the Y. M. C. A., Holtzendorff and Cadet Robertson had a collision and when they drew off to inspect damages, it was found that two of Holtzendorff's front teeth were missing and that Robertson's left arm had suffered a severe cut. It was thought that several muscles had been cut, but the arm is getting along all right now and it is hoped that Robertson will soon get back on the floor. He is a good player and we will need him this year.

The banjo solo last Saturday night seemed to "get George Davis' goat." We surmise that it brought back fond memories of former friends.

Clemson Agricultural College

A young man can make no better investment than in a technical education. Viewed merely as a matter of business, even if he has to borrow the money at interest, he will find that his increased earning capacity perhaps even the first year after graduation will be sufficient to repay the loan. It is a poor business policy to wait to earn the money necessary to pay for an education with an earning capacity only one-half or one-third that of an educated man. Every year of untrained, uneducated labor represents a direct financial loss. Every boy of ability and ambition whose parents are unable to pay for his education, should get some friend to indorse his note at the bank and begin preparation that will make for greater earning capacity and a fuller life. There is no time to lose. The world is looking for men of large ability and is willing to pay for them. Already there is a surplus of the one-horsepower variety.

SOUTH CAROLINA'S SCHOOL OF ENGINEERING AND AGRICULTURE

One of the largest and best equipped Agricultural and Mechanical Colleges in the South. 1,544 acres of land. Value of plant over, \$1,300,000. Over 120 teachers, officers and assistants. Enrollment of over 800. Every county in South Carolina represented. 13 Degree Courses. 4 Short Courses. 26 Departments of Instruction. New and Modern buildings, equipment and sanitation. Over \$100,000 expended in public service.

VALUE OF A TECHNICAL COLLEGE EDUCATION

A college education is no longer a luxury of the rich, but more a necessity of the poor boy whose parents can give him little or nothing to start on. In earning capacity, it represents at the outset a capital of from \$15,000 to \$30,000, depending upon the energy, character and personality of the possessor, and the capital increases with every year of its efficient use.

There never was a time in the history of the world when expert knowledge was so much in demand, so indispensable to individual success, and so highly compensated. For the untrained await the positions of low wages, long hours and poverty.

Clemson College brings within the reach of every boy in South Carolina the benefits and possibilities of a technical education. The way is provided whereby, if he have the ambition and capacity for knowledge, he need not continue in ignorance. Here, at a cost lower than at any similar institution, can a young man obtain an education that will prepare him for self-sustaining, self-respecting citizenship.

W. M. RIGGS, President.
